## STONEWALL DEMOCRATIC CLUB - A BRIEF HISTORY

Founded in 1975, Stonewall Democratic Club of Los Angeles is California's largest gay and lesbian Democratic club. We are a grassroots political organization made up of women and men of every race, age, religion and sexual orientation. We are dedicated to the philosophy that the rights of the individual are paramount. We are committed to securing social change and a safer environment through the political process. Our primary goal is to educate and empower the lesbian and gay community through political action. We believe the only way to advance a positive, progressive agenda is through community action and outreach.

Stonewall members hold elected and appointed public positions, run for office, are employed and volunteer on campaigns and are active participants in many lesbian and gay community programs. Stonewall Democratic Club works to secure appointments on boards, commissions, advisory panels, committees and other posts for members of our community. At election time, Stonewall's endorsement is sought by most Democratic statewide candidates and nearly every Democratic candidate seeking office in Los Angeles.

Active in every phase of political work, Stonewall's members are hard at work for our community, our candidates and our future.

Individual contributions will be deposited in Stonewall Democratic Club's federal account, unless you specifically request otherwise. Such contributions are limited under the Federal Election Campaign Act, as amended. All other contributions will be deposited into one of Stonewall Democratic Club's nonfederal accounts, with contributions in excess of \$5,000 in a calendar year deposited into an account, which will not be used in connection with the election of state candidates. No anonymous contributions of \$50 or more will be accepted.
